Public Finance Authority
Post-Issuance Tax Compliance Procedures
For P3 and Governmental Purpose Bonds

March 29, 2016 –

The purpose of these Post-Issuance Tax Compliance Procedures is to establish policies and procedures in connection with tax-exempt bonds or other obligations (the “Bonds”) issued by the Public Finance Authority (the “Authority”) so as to maximize the likelihood that certain applicable post-issuance requirements of federal income tax law needed to preserve the tax-exempt status of the Bonds are met. The Authority reserves the right to use its discretion as necessary and appropriate to make exceptions or request additional provisions as circumstances warrant. The Authority also reserves the right to change these policies and procedures from time to time.

General

Inasmuch as the Authority is a responsible conduit issuer authorizing the issuance of Bonds for actual or deemed governmental borrowers (which may include lessees under lease financings or governmental payors under various types of payment arrangements, collectively, “Borrowers”), the Authority now identifies post-issuance tax compliance procedures for all Bonds issued by the Authority on behalf of governmental borrowers, as well as the Authority’s expectations of and requirements for all Borrowers concerning these procedures. In some transactions, a party other than the Borrower (the “Compliance Obligor”) may be responsible, in whole or in part, for satisfying the Borrower’s tax compliance obligation. References below to the Borrower are to be treated as references to the Compliance Obligor as appropriate and depending on the obligations of the parties set forth in the documentation relating to the Bonds.

Post-Issuance Compliance Requirements

External Advisors / Documentation

The Authority and the Borrower shall consult with bond counsel and/or other legal counsel and advisors, as needed, throughout the Bond issuance process to identify requirements and to establish procedures necessary or appropriate so that the Bonds will continue to qualify for tax-exempt status. Those requirements and procedures shall be documented in the tax certificate and agreement (the “Tax Certificate”) and/or other documents finalized at or before issuance of the Bonds. Those requirements and procedures shall include future compliance with applicable arbitrage rebate requirements and other applicable post-issuance requirements of federal tax law throughout (and in some cases beyond) the term of the Bonds.
The Borrower also shall consult with bond counsel and/or other legal counsel and advisors, as needed, following issuance of the Bonds to ensure that applicable post-issuance requirements in fact are met. This shall include, without limitation, consultation in connection with future contracts with respect to the use of Bond-financed or refinanced assets. This requirement shall be documented in the Tax Certificate and/or other documents finalized at or before issuance of the Bonds.

The Authority shall require the Borrower to engage expert advisors (each a “Rebate Service Provider”) to assist in the calculation of arbitrage rebate payable in respect of the investment of Bond proceeds, unless the Tax Certificate documents that arbitrage rebate will not be applicable to an issue of Bonds.

Unless otherwise provided by the indenture relating to the Bonds, unexpended Bond proceeds shall be held by a trustee, and the investment of Bond proceeds shall be managed by the Borrower. The Borrower shall prepare (or cause the trustee to prepare) regular, periodic statements regarding the investments and transactions involving Bond proceeds and such statements shall be delivered to the Authority if it so requests.

Arbitrage Rebate and Yield

Unless the Tax Certificate documents that arbitrage rebate will not be applicable to an issue of Bonds, it is the Authority’s policy that the Borrower shall be responsible for:

- engaging the services of a Rebate Service Provider and, prior to each rebate calculation date, causing the trustee to deliver periodic statements concerning the investment of Bond proceeds to the Rebate Service Provider;
- providing to the Rebate Service Provider additional documents and information reasonably requested by the Rebate Service Provider;
- monitoring efforts of the Rebate Service Provider;
- assuring payment of required rebate amounts, if any, no later than 60 days after each 5-year anniversary of the issue date of the Bonds, and no later than 60 days after the last Bond of each issue is redeemed;
- during the construction period of each capital project financed in whole or in part by Bonds, monitoring the investment and expenditure of Bond proceeds and consult with the Rebate Service Provider to determine compliance with any applicable exceptions from the arbitrage rebate requirements during each 6-month spending period up to 6 months, 18 months or 24 months, as applicable, following the issue date of the Bonds; and
- retaining copies of all arbitrage reports and trustee statements as described below under “Record Keeping Requirements” and, upon request, providing such copies to the Authority.

The Borrower, in the Tax Certificate relating to the Bonds and/or other documents finalized at or before the issuance of the Bonds, shall designate an officer or employee responsible for the tasks

• to the extent that the Borrower discovers that any applicable tax restrictions regarding use of Bond proceeds and Bond-financed or refinanced assets will or may be violated, consulting promptly with bond counsel and other legal counsel and advisers to determine a course of action to remEDIATE all nonqualified bonds, if such counsel advises that a remedial action is necessary.

The Borrower, in the Tax Certificate relating to the Bonds and/or other documents finalized at or before the issuance of the Bonds, shall designate an officer or employee responsible for the tasks listed above.

• a copy of all contracts and arrangements involving the use of Bond-financed or refinanced assets; and

• a copy of all records of investments, investment agreements, arbitrage reports and underlying documents, including trustee statements, in connection with any investment agreements, and copies of all bidding documents, if any.
